Let's Begin

Step One

Choose a fundraising activity.

Step Two

Complete the Event Registration form and return it to Lluest.

Step Three

Make a plan- Set a task list and a timescale ensure you ask for the relevant permission to hold your event

Step Four

Enjoy your event, fundraising is a fun and rewarding thing to do but please remember that when you fundraise for us you are an ambassador for Lluest so it is important to always be polite, especially when asking for money and donations

Step Five

After your event please send in your paying in slip and any other paperwork, whatever the amount every penny raised will go into helping our rescues. Why not send us your pictures or videos so we can display them on our website and Facebook page.

Spread the Word

We can promote your event on our website and Facebook page just circle YES on The Event Registration Form.

Ask us for promotional posters to advertise your event or we can email you our logo so you can create your own

Don't forget you can contact your local paper and radio station to advertise the big day

Why not set up an online page to support your fundraising. Create a JustGiving page then email and share the link to all your friends.

If you have any questions you would like to ask before you start fundraising then please contact us on 01550 740 661 and we will do our best to help you!

Useful information

Approach businesses for help- why not ask them for prizes or props for the event in return for publicity?

Ensure you event complies with all the appropriate legal requirements and regulations (including risk assessments if relevant and insurance).

Keep the cost of your event to a minimum this will mean you will be helping more horses and ponies in need.
