LLUEST

Horse and Pony Trust - Rescue, Rehabilitate Rehome

Registered Charity Number: 1150948

https://www.lluesthorseandponytrust.co.uk/ways-to-help/

Dear Business Owner

Since we first opened our stable doors in 1985, Lluest Horse & Pony Trust has rescued, rehabilitated, and successfully rehomed hundreds of horses and ponies from Wales and surrounding areas. Lluest is the only professional and experienced equine welfare charity within Southwest Wales. Without its help weak and neglected ponies must make long and arduous journeys to charities in England.

Our experienced team aim to give each horse and pony a life worth living, turning sad and neglected ponies into happy ones, supported by experienced vets, farrier's, nutritionists and behaviourists. We provide valuable work experience and contact with horses from young people completing their DofE and veterinary students, to people on the autism spectrum and those with additional learning difficulties.

But all the fantastic work that our staff, volunteers and Trustees do is now under threat at a time when we are needed more than ever, unless we can secure regular, long-term sources of funding, we won't be able to continue to provide the essential medical care, food and shelter to the desperate. We are reaching out today to hopefully persuade you that giving even just a small percentage of your charitable budget to Lluest Horse & Pony Trust will be a truly worthwhile investment.

Our brand-new Board of Trustees supporting our staff and leading Lluest into a future where we want to be able to help more horses, ponies & people than ever before. We are fundraising and seeking sponsorship to secure Lluest's future. The QR code above will take you to our fundraising pages for more information.

Connie was found by walkers standing over her deceased mother. Lluest rescued her, gave her around the clock care and matched her with a foster mare, giving her everything she needed to grow up into a healthy, happy young pony. The QR code will take you to her full story and video.

Sponsorship Options

Lluest relies heavily on good will donations from supporters and businesses to fund our operational costs. With minimal staff our operational costs have risen to £12,000 a month.

Platinum Sponsorship: This is the highest level of sponsorship and would involve your business being prominently displayed in the charity's communications and social media. This level of sponsorship usually involves a significant financial contribution and could include substantial recognition in all Lluest promotional materials and events. This includes your logo on our vehicles, staff uniforms, Lluest buildings, and website. We can also offer your staff unique team building volunteer days, to boost your staff morale and well-being whilst helping our charity. Suggested donation from £7500 per year.

Gold Sponsorship: This level of sponsorship involves your business name being prominently displayed at all Lluest events, including farm shows, country shows, open days or programs hosted by the charity. This level of sponsorship can also include strong brand representation in promotional materials for the event. Suggested donation from £5500 per year.

Silver Sponsorship: This level of sponsorship offers a significant amount of visibility for your business/organisation. It would include recognition in promotional materials for events or programs, social media mentions, or mentions in press. Suggested donation from £3000 per year

Bronze Sponsorship: This type of sponsorship covers costs such as farrier and dental treatment for our resident horses, ponies and donkeys. Bronze sponsors would receive recognition for their contributions in promotional materials for events and press releases, etc and would be included in specific social media posts naming your business or organisation. Suggested donation from £250 to £1000 per year.

We currently have 160 horses in guardian homes across the country and 22 horses on site. Right now, their future is uncertain. If you feel that you could enter into a sponsorship agreement that will secure their future, or if you are in a position to make either a one-off or recurring donation.

Please contact us on 01550 740661 or email chair@llueshorseandonytrust.co.uk. We would love the opportunity to discuss this with you further and answer any questions that you may have.

We look forward to hearing from you!
