FOR OUR PONIES, RESCUE IS JUST THE BEGINNING...

Nutmeg was rescued from a council pound and euthanasia in 2015. We offered her and her unborn foal Nel a safe haven. After rehabilitation, they now have loving homes.

There are an estimated 6000 equines in England and Wales in urgent need. No foal should be born into neglect. With a regular gift, we can invest in the futures of more ponies like Nutmeg and Nel.

Just **£10 a month** will help us provide the long-term care and rehabilitation for ponies like Nel

I am a UK taxpayer, the government will boost every £1 you donate with 25p, by allowing us to claim back the tax on all donations I have made in the last four years and all future donations. I understand that if I pay less income tax and/or Capital Gains tax than the amount of Gift Aid claimed on all my donations in that tax year then it is my responsibility to pay the difference.
